SPECIAL RACKS

SKU	TECHDAS TT RACKS	RETAIL
AFZR2	AIR FORCE ZERO RACK 2 LEVELS Special KRION platform 68 mm thick with a special stainless steel structure reinforced with16mm. thick rods. Wooden box as packing to assure safe transportation and easy installation. Includes 2 black 12mm KRION Shelves. Carbon fiber arms to hold components and avoid vibrations.	30.830€
AFZR3	AIR FORCE ZERO RACK 3 LEVELS Special height based on TECH DAS requirements to match Air Force 0 set up. Wooden box as packing to assure safe transportation and easy installation. Includes 3 black 12mm KRION Shelves. Carbon fiber arms to hold components and avoid vibrations.	22.020€
ABAFZR	 AIR FORCE ZERO ABSOLUTE RACK Special darker wood finish with TECH DAS logo inserted. The materials used in its construction are the best the market has to offer: Krion solid surface, Panzerholz wood, elastomer thermoplastic screws made in Japan. The only metal parts used are the screws that make up the decoupling points of the rack, which are made of Titanium. The iconic identity of excellence that Artesania Audio has been maintained, by the absence of shelves to support the electronics. This product has beed developed to have the best performance possible on the best Turn Table ever made. Special wooden box included with a metal structure on wheels with a system to put down the rack on the right place to make an easier installation, the total weight is: 	39.325€
